

Michael Peroutka Coming to Spokane Area May 2-6

Michael Anthony Peroutka, 2004 Constitution Party Presidential candidate and co-founder of the Institute on the Constitution, will be visiting the Spokane area May 2-6. Dates and locations of speaking engagements are below.

Discovering that the teaching of law in America had been perverted away from its original design, Michael determined to investigate America's founding and the roots of our law in English Common Law and the Bible. This led to founding the Institute on the Constitution. The IOTC has since developed several study courses with its main U.S. Constitution course having been used to teach America's founding principles in homes, schools, and churches across the land. The IOTC teaches the founders' view, which is to say, "the American view" of law and government, namely that:

***There is a God, the God of the Bible.
Our rights come from Him.
The purpose of civil government is to secure our God-given rights.***
